NOTICE OF NUNAVUT WILDLIFE MANAGEMENT BOARD'S CALL FOR COMMERCIAL MARINE FISHERIES APPLICATIONS FOR ALLOCATION

Notice is provided on July 1, 2025 that the Nunavut Wildlife Management Board (NWMB) is accepting Applications for Commercial Marine Fisheries Allocations for Greenland halibut (turbot) in the Northwest Atlantic Fisheries Organization (NAFO) Divisions 0A and 0B, and shrimp inside and outside of the Nunavut Settlement Area. The "Call for Applications" is intended to apply for a five-year term spanning the 2026-2030 fishing seasons.

To apply, applicants must complete and submit to the NWMB an Application Package comprising an Application Form, which includes a detailed Governance, Business, Benefits, and Stewardship plan. This is contained in the 2019 NWMB Commercial Fisheries Allocation Policy. The Application Package must be delivered in person, by courier or by mail to the NWMB's Iqaluit office, **by close of the business day on August 15, 2025.**

Applications received after that date will not be considered. Delivery of applications may also be made through email, but only if your organization confirms by phone with the NWMB—prior to the filing deadline—that a complete and legible copy of the transmission has been received by the Board.

Applicants must ensure that they provide all the required information in order to be fully and fairly evaluated according to the requirements of the Allocation Policy. For more information regarding the Allocation Policy, or to obtain a copy of the Policy, please visit the NWMB website at **www.nwmb.com** or contact the NWMB:
