

NCC Investment Group Inc. (NCC) extends our warmest congratulations to the **Qikiqtani Inuit Association (QIA)** on the opening of the new

Regional Training Centre (RTC) in Pond Inlet!

This is a wonderful milestone for QIA and for the communities of the Qikiqtani region and NCC is proud to have been a part of it. The new RTC is a place where people can **learn, grow, build new skills, and create opportunities for themselves, their families, and their communities.**

We are proud to celebrate this achievement with QIA and the people of **Mittimatalik (Pond Inlet).**

We look forward to seeing the many positive opportunities and accomplishments that will come from this important new facility.

Congratulations QIA on this exciting new chapter!

With warmest wishes for continued success,

NCC Investment Group Inc.

Proud to be part of Nunavut and the communities we serve.
