## **Hamlet of Arviat**

### **Drainage Plan 2019**

The Hamlet of Arviat is inviting qualified applicants to submit proposals to complete a Drainage Plan for the community of Arviat. This drainage plan is intended to improve water drainage in the community, and reduce erosion, seasonal road damage, and flooding. This plan should include, but not necessarily be limited to:

- Watershed and water flow mapping;
- Recommendations and specifications for ditching and for culvert placement;
- Ditching/culvert maintenance and thawing techniques;
- Gravel road building and crowning techniques;
- Snow removal management plan;
- Identification of training needs;
- An implementation and asset management plan.

For RFP documents, questions, etc., contact Hamlet of Arviat SAO Steve England at [sao@arviat.ca](mailto:sao@arviat.ca) or 867-857-2841.

**Closing date for Proposals is Friday, March 8th,  
4:00pm CST.**
