

# Registered Psychologist

BEACON launched in 2017 as a fully digital experience providing treatment through digitally-delivered CBT with the one-on-one support of a dedicated MSW therapist all along the way.

We are currently seeking Registered Psychologists to join our national network of contractors to provide diagnostic assessments, evidence-based CBT and assist with protocol development.

## Requirements

Masters or PhD in Clinical Psychology

Registered with the College of Psychologists of NU

Bilingual - French and English both verbal and written
