

Aircraft Refueler

Iqaluit, Nunavut

Uqsuq Corporation is currently seeking to fill a full-time position for an **Aircraft Refueler**. Uqsuq is an Inuit owned company that manages and operates the bulk fuel storage and delivery systems in Iqaluit, Nunavut since 1996.

The Aircraft Refueler is responsible for performing all ramp operations in a safe, efficient and professional conduct. The Aircraft Refueler operates fueling vehicles for servicing aircrafts and completes accurate documentation while working within the Company's protocols and guidelines.

Responsibilities:

- Aircraft Fueling.
- Spill Prevention and Response.
- Fuel Movement and Quality Control.
- Operation of vehicles and equipment.
- Must work shift work, weekends and stat holidays.
- Provide courteous and respectful customer service.
- Required to work in all types of weather conditions.
- Responsible to clean equipment, buildings and Fuel Trucks.
- Strict adherence to safety rules on the ground, ramp and while using equipment.
- Maintain a tidy and orderly work area exhibiting pride in work performance and contributing to a healthy and safe work environment.
- Comply with and participate in the Company's Health, Safety and Environment programs and policies and quality programs and initiatives. Physical requirements include considerable use of your arms and legs, climbing, lifting 60lbs repeatedly, balancing, walking, stooping, and handling of materials.

Qualifications and Experience:

- Clean Driver's Abstract.
- Able to lift up to 60 pounds.
- Able to obtain a RAIC security clearance.
- Class 3 with Air Brake Endorsement preferred.
- Professional, punctual, meticulous and diligent.
- Strong attention to detail and high degree of accuracy.
- Understanding of mathematics and basic computer skills.
- Sound analytical thinking, planning, prioritization, and execution skills.
- Able to work collaboratively as a productive member of the Uqsuq airside team.

The position is paid by hourly wage with a benefits package. Uqsuq provides a supportive work environment and promotes and provides career development opportunities. Candidates must be able to work overtime and take 24 hour on-call shifts.

We thank all applicants for their interest, however, only candidates selected for interviews will be contacted. **Apply by email at luc@uqsuq.com or fax 867 979 1623.**
