The City of Iqaluit has released a Request for Proposals for the development of affordable housing on three parcels in the Joamie Court Subdivision. The parcels include two low-density residential lots and one medium-density residential lot. Consolidation of lots will be considered for the purpose of development. The RFP includes detailed information about affordability requirements. The lots will be leased in accordance with the City’s Land Administration By-Law No. 365.

More information can be found at:

www.city.iqaluit.nu.ca or by contacting the Planning and Development Department at planning@city.iqaluit.nu.ca or (867) 979-5661.

Proposals must be submitted no later than
12 p.m. on Wednesday, October 2, 2019.
