

Wildlife Management Biologist – Permanent Iqaluit, Nunavut

The Nunavut Wildlife Management Board (NWMB or Board) is an institution of public government established under the *Nunavut Agreement*, and situated in Iqaluit, Nunavut. The Board is currently seeking a dynamic individual to fill the permanent full-time position of **Wildlife Management Biologist**.

Reporting to the Director of Wildlife Management, the Wildlife Management Biologist will:

- Ensure relevant precedents, policies, and legislation are being followed to ensure that the NWMB can fulfill its required commitments outlined in the *Nunavut Agreement*;
- Contribute to the Board's responsibilities with respect to wildlife management, total allowable harvests, basic needs levels and non-quota limitations;
- Work closely with Inuit and representatives of other Nunavut land and resource management agencies, concerning conservation and management issues affecting Nunavut's wildlife;
- Lead the coordination of notices and submissions for written and oral hearings to address requests for decisions as required;
- Collaborate with other staff to review and provide comments on action and management plans, conservation plans, research proposals, and other documents related to wildlife and their habitat;

Qualifications: A minimum of a Bachelor's Degree in a related field, preference will be given to applicants with a graduate degree (M.Sc. or Ph.D.) in a related field. Knowledge of legislation affecting wildlife management and use in Nunavut are additional requirements. Experience in northern Canada and/or in other cross-cultural situations will be considered an asset.

Salary and Benefits: The pay level for this position will be commensurate with qualifications and experience. The NWMB offers a comprehensive and competitive benefits package, including northern allowance, vacation travel assistance and relocation assistance. For a copy of the complete job description and schedule of benefits, or to submit resumes, please contact:
