

# Our Home Is Social Distancing

We can still show love! Aqaa via phone, video or from outside through the window. Don't kunik and hug.

Wash your hands and use utensils to cut your child's food. Don't chew it for them.

Wash your hands and divide what you want to share. Say no when someone says, "After You".

Keep Elders safe. Don't ask Elders to babysit. Leave food and supplies at their door. Wave through the window and call them by phone.

## Remember to practice the basics

Wash your hands

Keep a safe distance

Cover when coughing

Keep surfaces clean

Let's all do our part in keeping our communities healthy and safe.
