

1ST DEPARTURE IS COMING VERY SOON!

Dear Customers and Partners,

Nunavut Sealink and Supply Inc.continues to prepare for the 2020 Sealift Season. We have developed and implemented a plan which consolidates the operations and measures in response to the **Covid-19 pandemic**.

Online reservations continue for all departures:

- Customer service is in place to answer your questions;
- The procedures have been revised to secure cargo receiving, as well as cargo packaging and delivery to the terminal;
- Our action plan covers the loading/unloading operations in the communities;
- All health and safety measures for each step of the sealift operations are integrated;
- Our user-friendly website, www.arcticsealift.com is accessible for all necessary reservation documents, such as packaging and delivery, and it is frequently updated;
