

# NOTICE OF MARINE MONITORING AND MITIGATION WORKSHOP IN POND INLET

## BAFFINLAND'S MARY RIVER PROJECT

The Nunavut Impact Review Board (NIRB) is facilitating the second **Marine Monitoring and Marine Mitigation Workshop** in respect of Baffinland Iron Mines Corp.'s Mary River Iron Mine Project (NIRB File No. 08MN053). The public is invited to attend and learn about ongoing project monitoring for the Mary River Project, including results of community level monitoring programs for the marine environment.

The workshop will be held in Pond Inlet **at the Atakaalik Community Hall**, following the NIRB's annual community monitoring update on August 24, 2020.

Date	Function	Sessions
August 24	NIRB annual community update	2:00 pm – 5:00 pm; 6:30-9:00 pm
August 25	Marine Workshop	9:00 am – 5:00 pm; 6:30-9:00 pm

All proceedings will be open to the public, with consideration for Public Health Orders, and simultaneous English/Inuktitut interpretation provided.
