Request for Proposal Design, Development and Testing
of Training Materials
Business Capacity Development RFP2020-03

Closing Date and Time: December 7, 2020 at 3:00 p.m. EST
Kakivak Association is seeking qualified firms or individuals with experience in the areas of business development and training to develop materials to support the delivery of in-person and virtual workshops, and to support self-training focused on capacity development that will better enable smaller Inuit-owned firms to take advantage of Federal Government and Territorial Government procurement opportunities.
