

SENIOR
MANAGER,
ARCTIC MARINE
CONSERVATION

IQALUIT, NUNAVUT

Join WWF and lead a team, providing strategic guidance & expert advice, as we assemble to protect 25% of Canada's seascapes by 2025.

An advanced degree in a relevant field with 5+ years of related experience working with Northern communities, a must.

This is a full-time permanent position that requires safe travel and offers a competitive compensations package.

**WE'RE
HIRING!**
