The Nunavut Marine Council is a mechanism for utilizing the shared experience and knowledge of the Nunavut Impact Review Board Nunavut, the Nunavut Planning Commission the Nunavut Water Board and the Nunavut Wildlife Management Board. The NMC seeks to ensure the ongoing protection and wise use of the marine areas for the long-term benefit of Inuit and the public of Nunavut and Canada, in a manner consistent with the principles of Inuit Qaujimajatuqangit and of the Nunavut Agreement Article 15 (“Marine Areas”).

NUNAVUT MARINE COUNCIL
REQUEST FOR PROPOSALS

The Nunavut Marine Council Symposium will provide a platform for discussion about shipping and conservation activities, issues, and potential options for coordinating and prioritizing initiatives in Nunavut.

The Nunavut Marine Council is seeking proposals from qualified firms to provide background materials on the state of marine conservation and marine shipping in Nunavut and facilitation of the Nunavut Marine Council Symposium.

Full RFP details available online at: www.nunavutmarinecouncil.com

Proposals will be accepted until February 5, 2021.
