

# ASSOCIATE SPECIALIST, ARCTIC ECOSYSTEMS

IQALUIT, TORONTO,  
OTTAWA, OR MONTREAL

The Associate Specialist, Arctic Ecosystems is a highly motivated individual that supports WWF-Canada's partnership building in the North towards community-led conservation of terrestrial and marine habitats. The conservation of Arctic habitats and wildlife is a key aspect of WWF-Canada's Strategic Plan, targeted to deliver by 2030.

This is a full-time permanent position that requires safe travel and offers a competitive compensations package.
