Canadian Navigable Waters Act

The Government of Nunavut hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act,

The Government of Nunavut has deposited with the Minister of Transport, on the on-line Canadian Navigable Waters Registry (http://cps.canada.ca/) and under registry number **2864** or, under the NPP File Number **2016-600096-003** a description of the following work, its site and plans:

- Fill (access route)

The temporary alteration of an existing intertidal access route. Works will include the leveling and smoothing of the bedrock as well as placing fill to create a driving surface and will be completed during the 2021 open water season.

In, on, over, under, through or across Canoe Pass at Koojesse Inlet, Iqaluit in the water way between Inuit Head and the western shore of Koojesse Inlet, located underneath the fuel pipeline bridge between the fuel ship manifold and the Deep Sea Port.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above referenced number) or if you do not have access to the internet, by sending you comments directly to:

Transport Canada – NPP
344 Edmonton Street
Winnipeg MB. R3C 0P6

However, comments will be considered only if they are in writing (electronic means preferable) and are received no later than 30 days after the publication of the last notice. Although all comments confirming to the above will be considered, no individual response will be sent.

Posted in Iqaluit this 16 day of April, 2021.
