

Managing Director - Inspire Nunavut

Kajungiqsainiq Entrepreneurial Leadership Program

Location: Nunavut | **Tenure:** 18 months | **Start:** ASAP |

Salary: Commensurate to Qualifications and Experience

Who we are: The “Kajungiqsainiq Entrepreneurial Leadership Program” is a Makigiaqta-funded project empowering youth to create resilient northern communities through entrepreneurship and community development training. We aim to empower Inuit youth to develop soft and hard skills to build social businesses, find gainful employment or take advantage of further education opportunities.

Who we are looking for: A passionate, dedicated and experienced Managing Director to oversee and lead our organization and program across Nunavut. They will oversee all of our programming across the territory, develop community partnerships, and identify potential synergies with organizations that work in the space of community development, youth training and entrepreneurship. The Managing Director will work with a dedicated team across Nunavut and Canada to design and adapt strategies for local implementation, ensure program objectives and deliverables are met, and supervise and mentor 3-4 delivery staff and consultants.
