Inuit Qaujimajatuqangit Coordinator - Permanent
Iqaluit, Nunavut

This position is based in Iqaluit and restricted to Nunavut Beneficiaries

The Nunavut Wildlife Management Board (NWMB or Board) is an institution of public government established under the Nunavut Agreement. The Board is currently seeking a dynamic individual to fill the position of Inuit Qaujimajatuqangit Coordinator.

The Inuit Qaujimajatuqangit Coordinator is a critical position supporting the NWMB in using Inuit Qaujimajatuqangit in wildlife decision-making in Nunavut. The IQ Coordinator is a key member of a cross-cultural team of highly skilled individuals who are dedicated to achieving our vision of making Nunavut a world-class model for the cooperative management of healthy wildlife populations.

We are looking for an independent thinker and collaborative team member with excellent interpersonal, analytical and communications skills, who will bring their energy, leadership and initiative along with their dependability, flexibility and critical thinking skills. The successful applicant will have a passion for learning, as well as a keen interest in Inuit Qaujimajatuqangit and wildlife management.

Reporting to the Director of Wildlife Management, the IQ Coordinator:
- Leads and implements the NWMB’s Inuit Qaujimajatuqangit Program
- Assists in ensuring the integration of Inuit Qaujimajatuqangit into the Board’s wildlife operations and NWMB decision making
- Assists in the development of Inuit Qaujimajatuqangit and Indigenous Knowledge System policies
- Communicates and liaises with a wide variety of audiences on the use of Inuit Qaujimajatuqangit in wildlife management
- Is responsible for the development of an Inuit Qaujimajatuqangit research program

Qualifications: Our ideal candidate has knowledge of Inuit Qaujimajatuqangit principles, values, concepts and can demonstrate the role of Inuit Qaujimajatuqangit in wildlife management. Has experience working in Nunavut communities, particularly on wildlife issues. Knowledge of ecological principles and qualitative and quantitative research is an asset. Post-secondary education (university, college, etc.) is an asset. Advanced knowledge of written and spoken Inuktut is essential, and the ability to speak and write English is required.

Salary and Benefits: The NWMB provides a competitive salary. The pay level for this position is commensurate with qualifications and experience. We offer a full benefits package, including Vacation Travel Assistance. The NWMB supports continuing post-secondary educational opportunities for this important role.
