Advisory and
Mentorship Program
Work with a CESO Advisor to reach your goals
and create opportunities for growth in
your community!

With a CESO mentorship, develop your skills in:
• proposals and funding applications
• business or community economic
development plans
• communications and marketing
• any other area to help make your vision a reality.

Services come at no cost to eligible clients. Ongoing support from the Nunavut Community Futures Association is available to participants following the mentorship.
