

# We all have questions about the **vaccine**

**Why should I get my child vaccinated if they're at lower risk of complications from COVID-19 than an adult?**

**While some symptoms of COVID-19 may seem mild, others—like shortness of breath—can last for months.**

**Even though children are less at risk of developing complications, they can still easily transmit the virus.**

**Vaccination is the best way to protect your children and their loved ones.**
