WE’RE HERE FOR NUNAVUT

NOW, IT’S TIME FOR THE GOVERNMENT TO BE HERE FOR US.

The cost of living is rising, our jobs are becoming less secure, and the Nunavut Northern Allowance hasn’t changed in over a decade—leaving many families unable to afford basic needs. For three years, Nunavut’s public service workers have been left without a contract. We’re calling on the Government of Nunavut to bargain in good faith.
