Vice-President, Energy
Full Time, Permanent

Vice-President, Energy is responsible for supporting current energy investments and pursuing new opportunities for Nunasi to participate in renewable energy development in Nunavut. The role requires working with the Board of Directors of the Nunavut Petroleum Corporation to ensure Nunasi shareholder interests are reflected in the strategic direction of Uqsuq Corporation.

Responsibilities will include developing a renewable energy strategy for Nunasi Corporation; maintaining strong relationships with government, industry and the non-profit sectors; collaborating with the Regional Development Corporations in Nunavut; and monitoring government funding programs in support of development projects. Compensation is highly competitive and includes housing benefits.
