Web editor

Join an award-winning journalism team making a difference in Canada’s Arctic. Nunatsiaq News is the newspaper of record for the Eastern Arctic. Serving 39 communities and 70,000 readers a week with its website and print edition, Nunatsiaq News continues to grow its readership, web visits and advertising. We provide credible, in-depth and award-winning journalism, which together with lively website comments, draws readers from the North, southern Canada and around the world.

You are a skilled and meticulous editor and writer, well versed in a multi-channel environment of print, web and social media. You are an excellent communicator, thrive in a dynamic newsroom, and enjoy working with and mentoring reporters. You are interested in Canada’s Arctic and Indigenous peoples and the interplay of politics, development and culture that impacts our editorial coverage.

This position is remotely based and offers flexible hours and terms of employment. Nunatsiaq News offers competitive compensation, profit sharing, health benefits, and, if based in Nunavut, relocation, housing and travel assistance.

Please send resumes to Corey Larocque, Managing Editor: coreyl@nunatsiaq.com

Closing date: Friday, March 4, 2022

NUNATSIAQ NEWS

Do you want to attend the 2022 International Conference on Language, Technology and Human Rights? Join us for a three-day virtual event that will cover the latest advancements in natural language processing (NLP), computational linguistics, and artificial intelligence. The conference will feature keynote speeches, panel discussions, and workshops on topics such as NLP for human rights, natural language understanding, and machine translation.
