

Competition extended

The Hamlet of Gjoa Haven in Nunavut is looking for an energetic and experienced Director of Finance to take a leadership role in management of the hamlet's financial affairs.

Reporting to the Senior Administrative Officer (SAO), the Director of Finance will oversee the hamlet's financial management and human resource activities. This demanding but rewarding position is ideal for a skilled worker who is looking for a challenge. The Director will also be responsible for providing critical financial leadership to management and Council to ensure the long-term financial sustainability of the Hamlet of Gjoa Haven.

The successful applicant will be a strong, confident professional who is skilled in collaborating with different stakeholders including Council, government agencies and the public, and will assist the SAO in many aspects of the hamlet operation.

Strong credentials in local government finance and administration, a good track record of sound decisions at a senior level and demonstrated proficiency in mentoring and training staff will be important in the selection process.
